

# The Beard

Alexander S. Peak

28 May 2008

For the past many months, I've b'en growing out my beard, to see how long I could grow it. If I recall correctly, I'd let it grow for most, if not all, of this previous semester.

But, I could stand the thing no longer, & last ni'ht shav'd it away in a small handful of fatal swoops.

I'm sure it will be back in due course.
