

Of Madness

Alexander S. Peak

Such as we shall see in following examples,
Invariably ineptitude dwindles the
Manifest resources of the employers of even the most
Frugal of approaches to holistic
Metamorphosis.

Nevertheless we find that perception cannot
Proceed prior to the culmination of essence
Into a veritable conductor of spiritual energies
Found primarily, if not solely, buried deep in the
Psyche.

Although it must be acknowledged that concurrent
Investigations have yielded little in the pursuit of the purely
Antiquated puzzles concerning the continuation and promotion of
Human existence, we believe this implies a necessity for
Cognisance.
